Korg Pandora PX3 is a multi-effects box that I have used with electric guitar and electric bass. The unit is a digital one, and can be used with any electronic instrument since it has standard 1/4 inch connections for input and output. The PX3 has a variety of features including effects, recording, and drum patterns.

I've been using the Korg Pandora PX3 for a number of years, as it was one of the first effects boxes of this type that I used.? The PX3 is no longer being made, but you can find them used at a pretty cheap price.? I would generally shy away from using multi-effects boxes as they don't share the same quality of individual effects, but if you're l...
