In order to get noticed you have to take action, starting today, right now. Open your mouth, let your opinion be known, be remarkable and go big or go home. Putting yourself out there might mean volunteering for a project at work, stepping outside your comfort zone, doing something that you have never done before and taking some risk.

How do you get noticed on youtube? I just started making YouTube videos like little vlogs :) I have only been making them for a few weeks and have 32 subscribers, but I would like to get more. I don't want to pay for them or use sub for sub websites, I want people to subscribe because they like my videos.
