Miracles - Research and Commentary from Dr. Craig Keener
In his two-volume work, Miracles: The Credibility of the New Testament Accounts, Craig Keener argues for two theses: The books primary thesis is simply that eyewitnesses do offer miracle claims The secondary thesis is that supernatural explanations, while not suitable in every case, should be welcome on the scholarly table along with other explanations often discussed (p. 1).

Miracles: The Credibility of the New Testament Accounts by ...
In his two-volume work, Miracles: The Credibility of the New Testament Accounts, Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us. This wide-ranging and meticulously researched two-volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts.

Miracles: The Credibility of the New Testament Accounts, 2 ...
One apologist who has risen to this challenge is Dr. Craig Keener; he published a two-volume work in 2011, Miracles: The Credibility of the New Testament Accounts. This work earned two responses in the new John Loftus anthology, The Case Against Miracles , one by Darren Slade and another by Edward Babinski.

Debunking Christianity: God's Spotty Performance on Miracles
Craig recently wrote and article on miracles for the online publication The Huffington Post... In the introduction of this piece, entitled "Are Miracles Real?," Craig writes: "Many people today are familiar with miracle stories in the Bible — the parting of a sea, water turned to wine, and, most frequently in the New Testament, healings, even of blindness, leprosy, and the reversal of ...

Are miracles real? | Bible Background
Craig Keener has just written a major two-volume work on miracles, and it's worth looking at because in the first part he deals with miracles in the ancient world but the rest of it deals with documenting the kinds of miraculous claims that exist around the world particularly in situations where there doesn't seem to be another explanation for what took place.

Is it rational to believe in miracles? - Centre for Public ...
I've now finished reading Craig Keener's recent monster book on miracles: Miracles: The Credibility of the New Testament Accounts (Baker Academic, 2011). I haven't read the appendices yet, but I've read the (800 page-long!) main part. I'm writing this post in Starbucks and don't have the book on me, so this review will be missing...

Craig Keener's book on miracles | Dan's Blog
I've now discussions with my Christian friends at Theology Web regarding the alleged historicity of the bodily Resurrection of Jesus. I have repeatedly been informed that one cannot intelligently comment on the probability of a miracle such as the Resurrection unless one has read Christian scholar Craig Keener's two volume work entitled, "Miracles".

Are Miracles Real? | HuffPost
Craig Keener on Miracles To date I have not devoted a specific entry on my blog to a discussion of miracles. This is partly due simply to more important priorities, lack of time, and the fact that I'd expect anyone familiar with my worldview could surmise why I reject miracle claims.
