Dont Judge A Girl By

1. He doesn't care about the texts (and neither should you!) I don't know what the biggest relationship concern was back in the days of touch-tone phones, but these days, it's all about a guy's texting habits: why he used to text so much in the beginning and then stopped, why he takes so long to reply, why he disappears for days at a time, why his texts are so short, etc., etc.

5 Things Every Girl Needs to Know About Men - a new mode

Hi there! I am wondering if there is a way I could attach an item to the end of the saber (not motion tracking). I my instance, I am attaching a small orb to the front end of a saber effect; the effect uses the offsets to create a "light beam" along OTHER saber masks...think Tron objects, and then sometimes "overcharges" pulse along the glowing lines of the object).

2. Don't be embarrassed by who you are. They're going to judge you no matter what you do. — You can't please everyone. Similarly, you can't shut up everyone. No matter how good you are doing or through what circumstances you are going, there will always be a group of people who will hate your moves. Just ignore them.
