E-Business and E-Commerce Management 4th Edition

(PDF) E-Business and E-Commerce Management 4th Edition ...

Comparing E-Commerce and E-Business we come to the subsequent conclusion: E-Business is a more general term than E-Commerce. However, in this book we will only use the term "E-Commerce", because every business transaction finally is involved in selling or buying of products or services. And the term "E-Commerce" obviously is more widespread

Introduction to E-Commerce

Electronic Commerce, popularly known as E-commerce is booming in India offering new ways of doing business. Referring to aspects of online business involving exchanges among customers, business partners and vendors, e-commerce has increased the speed and ease with which business can be transacted today, resulting in intense competition between enterprises.
