Indian skilled migration and development : to Europe and ...

In ancient times, Indian traders established bases around the Indian and the Pacific oceans, especially in East Africa and Western and Southeast Asia. However, those flows were not the basis for Indian migration in the 19th century or the global dispersion seen today. Rather, flows of the last 175 years began with the era of British colonial rule.

Emigration, Immigration, and Diaspora Relations in India ...

Migration from India swelled between 1965 and 1990 as a series of legislative changes removed national-origin quotas, introduced temporary skilled worker programs, and created employment-based permanent visas.

Indian Immigrants in the United States | migrationpolicy.org

Migration and sustainable development 1. Introduction As discussions for Rio+20 progress, migration has been recognized for its increasing importance and relevance to the social, economic and environmental dimensions of sustainable development, as well as for its influence on all regions of the world.

Migration and sustainable development

Taking the example of Indian skilled migration, the study offers an evidence-based analysis that shows the effects that both return and diaspora transnationalism have on home country development. The study draws on data collected simultaneously in the host and home countries between 2011 and 2012.
