Holt Modern Chemistry Study Guide | bookstorerus.com

I ordered two books for my high schooler's Chemistry class, "section reviews" and "study guide" by the same authors, to go with her text book "Modern Chemistry". I was very disappointed to find out that these two books are identical in the first 80 pages, the same title, the same contents, the same page number etc, but the cover is completely different.

Chemistry - Modern States

Chemistry is fun! It can be used to make colors change, alter recipes, color flames, make things glow in the dark, or even make stuff explode. Many people study chemistry not because it's a requirement for a class but because they are interested in using it to explore the world and to try science projects.
