### Trepagnier Ch 2 SP2018.pdf - Silent Racism How Well Meaning...

Silent Racism refers to the negative thoughts and images in the minds of white people regarding African Americans and other people of color. This claim seems unremarkable except that, by "white people" I mean all white people, including those who care about racism and would never do anything intentionally racist.

### Silent Racism - ThickCulture

Well-meaning white people with high race awareness are more likely to interrupt others' racist practice and everyday racism than those with low race awareness. Race awareness in well-meaning white people—including racial progressives—is both sorely lacking and a critical piece of the racism puzzle.
