They Came Before Columbus: The African Presence in Ancient ...

I read They Came Before Columbus: The African Presence in Ancient America by Ivan Van Sertima. I wasn't halfway through this book and I was thoroughly offended, but I finished it just to hear their point of view. I don't buy it. The belief that Africans were in the Americas before the Europeans were makes sense to me.

Amazon.com: Customer reviews: They Came Before Columbus ...

In his work "They Came Before Columbus" Ivan Van Sertima proposes that native Africans were the first to visit America, even before Christopher Columbus and other European explorers. This is the primary thesis asserted by the author. The most important point Van Sertima attempts to drive into the minds of his .
